According to Scott Herman, CEO of Jordan, “Our expansion in Louisiana will continue to grow a successful care delivery network and expand on our mission to serve the healthcare needs of chronically ill seniors. We welcome the dedicated and experienced staff of Medistar into the Jordan Health care group.”

“With diversified offerings including Medicare home health, home and community based services, pediatrics, and hospice provided over a contiguous regional footprint, Jordan is well-positioned to compete in a health care environment that increasingly values a continuum of care” commented Mark Kulik, The Braff Group Managing Director for home care and hospice that headed up the deal team representing Medistar. “The acquisition of Medistar adds a long term, large and preeminent agency establishing Jordan as the dominant provider in Louisiana.”
